Collier Youth Services
WHERE SMALL MIRACLES HAPPEN EVERY DAY

HISTORY OF COLLIER YOUTH SERVICES

In 1927, Mrs. Sara Van Allen Collier bequeathed the Wickatunk property to the Sisters of the Good Shepherd for the establishment of a residential school for neglected and dependent girls. This residential program was in operation until the mid 1970s when the program was changed to Collier High School, an alternative day school for both girls and boys. At this time, Collier also expanded to include a group home for teenage girls and a summer camp for disadvantaged youngsters.

Our programs have developed over the years in response to the changing needs of the young people and families we serve. Today, Collier Youth Services addresses the therapeutic and social issues of our youngsters through educational, residential, and recreational programs of the highest quality. While our services continue to evolve, one thing remains constant: our commitment to nurturing the potential of each person and honoring their individual worth.

KATERI DAY CAMP OVERVIEW

Since 1977, Kateri Day Camp has provided children with a safe and wholesome summer camp environment. Our philosophy is one of respect for ourselves, each other and the world around us. The camp is located on the beautiful 260-acre campus of Collier Youth Services in Marlboro Township.

At the heart of Kateri Day Camp is a belief in the inherent worth of the individual and respect for the environment. This belief is lived through outdoor programs, sports, swimming, and creative arts that encourage all participants to respect themselves and the world around them while celebrating the beauty of nature.

Each summer through our annual campership program, more than 170 campers from low income families between the ages of 5-13 join us for seven weeks of hiking, swimming, playing, crafting, reading, and making friends! Transportation, breakfast, lunch and afternoon snack are all included. Many campers return each year to see familiar faces eager to reconnect and begin again.

Our exceptional staff is made up of talented, educated, and fun loving individuals who care deeply for our campers. The Kateri Day Camp community, campers, and staff teach one another and learn from one another. We are a very special place that creates everlasting memories.

Swim

Swim Lessons and Free swim are well loved activities at Kateri Day Camp. Every child has a swim lesson every day. Swim lessons take place in our Olympic size pool and are instructed by our American Red Cross certified lifeguards and swim instructors.

It is our goal that all Kateri campers will learn basic swim strokes and personal safety techniques. Campers will be classified at varying levels depending upon their swim ability as determined by a basic swim test. Shallow water swimmers have lessons that focus on very basic techniques. Mid-water swimmers focus on three strokes and must be proficient in front crawl and back stroke before moving on. Deep water swimmers focus on more advanced strokes. All campers are required to participate in swim lessons every day.

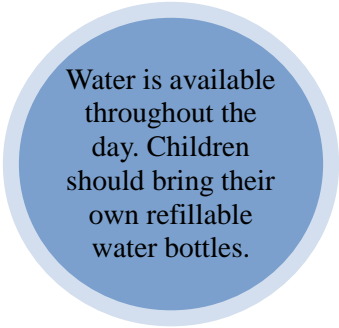

Free swim is available every afternoon to every camper who has taken his/her swim lesson in the morning. Free swim is a time to cool off, have fun and practice newly learned swim skills.

CAMP BEHAVIOR

At Kateri Day Camp, we believe in the GREATNESS of every camper! We believe that every moment is a moment to create success. Together we will promote kindness, responsibility, honesty and cooperation. Campers and Staff are expected to be kind, respectful, and follow the rules.

Kateri Day Camp employs a Behavior Specialist. If your child has an IEP or school behavior plan, please let us know so that we can help your child have a great summer!

If a camper is having difficulty following camp rules and behavioral expectations:

1. Group counselors, who have been trained to handle basic behavior issues, will positively redirect the camper's behavior. The incident will be noted.
2. If the behavior continues, a Unit Leader will intervene. The camper will be given a time out and the opportunity to return to the activity. The incident will be noted and parent or guardian will receive a phone call.
3. If behavior does not improve the Behavior Specialist will intervene. The Behavior Specialist and the camper may place a call to the parent or guardian. At this time the camper may receive a day out of camp.
4. The Behavior Specialist and Camp Director will monitor the camper for any further behavior issues. If the camper cannot follow basic rules of safety and respect he/she will be asked not to return to Kateri Day Camp.

Kateri Day Camp is mindful of the safety of all campers. We reserve the right to expel a child from camp if his or her behavior is dangerous to him/herself or others.
